Sub: APRRP (AIIB) – Third Tier Quality Inspections by IQMs – Arrangements for  
Inspection – Instructions -Issued - **Reg.**

Ref : T.O Memo No. : QC1/AIIB/2019 Dt 01.04.2019

\*\*\*\*

The immediate attention of all the Independent Quality Monitors (IQMs) is drawn to the reference cited where in the schedule was communicated for inspection of APRRP works for the Month of April 2019.

The inspection formats are enclosed for strict implementation without any deviation .

In this connection the IQMs are requested to inspect one completed work of maximum 3 kms length or 2 ongoing works each of maximum 3 kms length in which about 50% work has been completed in a day to make desired observations. However if the length of road work is more , every 3 km length or part thereof shall be treated as another work.

The Executive Engineer PIU of concerned District is directed to be in contact with IQM and finalise the works in advance and see that the inspections should be completed as per programme communicated.
